

EDUCATION

University of California Davis

Bachelor of Arts — Major GPA: 3.77

Design: Visual Communications Emphasis

Aug 2006 - Jun 2009

EXPERIENCE

Visual Designer

Google/AdMob - Mountain View/San Mateo

Designed animated, interactive, and static ads for mobile phones. Created mobile websites, banners, and interactive interstitials. Worked with high profile companies such as: Nike, Reebok, Comedy Central, Universal Studios, and Seattle's Best.

Mar 2010 - Present

Freelance Designer

Collaborated with entrepreneurs to design and develop unique business identities, and innovative websites. Clients include: internet startups, investment groups, restaurant critics, and musicians.

Dec 2008 - Mar 2010

Graphic and Web Designer

Creative Media — Davis, California

Worked both individually and collaboratively as a group creating various projects for businesses, student groups, and recording artists. Projects included: promotional posters, fliers, logo design and branding, html/css websites, and motion graphics.

Aug 2008 - Jul 2009

Web Developer

UC Davis School of Law — Davis, California

Assisted in design and image manipulation. Coded webpage outlines into fully functional sites. Maintained current content through constant updates. Gained strong communication skills through assisting student group clients and working in an office environment.

Oct 2006 - Jul 2008
